Attorney Docket No.: Q94307

However, since a statement can be made, a Statement is being filed so that in the event an Office action has issued but has not yet been received by the undersigned, the Examiner will proceed to consider this Information Disclosure Statement.

In compliance with the concise explanation requirement under 37 C.F.R. §1.98(a)(3) for foreign language documents, Applicant advises that the submitted documents were cited in an Office Action of the Chinese Patent Office dated July 30, 2008. An English language version of the Chinese Office Action is submitted herewith, along with a complete copy of the underlying references. An English-language Abstract of the relevant portions is attached for the Examiner's convenience.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge the statutory fee of and all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
